

Exhibition at the Southwest Harbor Public Library
In Celebration of Women's History Month
March & April 2018

Announcement of 2018 Theme

Let yourself be inspired by the written word of Maine women:
An open invitation to the women -- young, old and in-between -- of our MDI
community!

For the 2018 Women's History Month exhibition, the Library invites women and girls of all ages from our community to create and exhibit an item in response to a favorite phrase, passage, prose or poem by a Maine author. The authors, all of whom will be women, may be poets, children's authors, fiction writers, biographers, writers of cookbooks, gardening books or scientific books, lyricists and more, published or unpublished. They are all from Maine, or have made their home in Maine for a significant stretch of their lives. Your exhibited item may be in any medium, and you need not be an "artist" to participate. As in prior years, all are welcome to participate in this much-loved community exhibition!

Registration for the exhibit opens November 15.
Registrations accepted on a first-come, first-served basis.

Please contact the Library at 244-7065 with any questions,
or to be added to the distribution list for exhibit registrations.
