OUR MISSION

Southwest Harbor Public Library inspires and supports the enjoyment of life-long learning, the love of literacy, and the exploration of new ideas, welcoming everyone through its doors.

**Dedicated patron
 Sadie Monahan and Ms. Chrissy**

View from the Chair

Recently someone asked me what I liked best about the Southwest Harbor Public Library (SWHPL). I was stumped. Would I choose:

- The friendly, efficient staff and volunteers?
- The wonderful programs now so easily accessible through Zoom and Facebook?
- The sound of children's laughter during Storytime or when the Pemetec kids come over?
- The kiosk in front, supplying books to patrons at (almost) any hour all year round?
- Watching a father and child share a book in the Children's room?
- Being able to use my phone to request a book through Inter Library Loan?
- Having a place to sit quietly and read between errands in town?

**Linda Hayward
 hosting Library Tea**

I love the Library for all these things. It comes down to the feeling I get when I walk through the doors, a feeling that this is a place where people are happy. And, of course, it's full of books!

That feeling that makes the Library such a special place is thanks to all of you, our donors and patrons. Thank you for making 2022 another successful year at SWHPL.

I look forward to seeing you at the Library—perhaps at the next Library Tea on Thu., March 16th 2:00-3:30pm.

Linda Hayward, Chair, Board of Trustees

LIMITED LIBRARY EDITION JUDY TAYLOR PRINT

Artist Judy Taylor released a limited edition print of her oil painting Echo Lake Beach, the proceeds of which will benefit the Library. Judy rarely does prints of her paintings but is offering this opportunity in support of the Southwest Harbor Public Library.

The original oil painting Echo Lake Beach is on display at the Library where the prints are available for purchase. Twenty Ultrachrome archival editions were printed by **Maine Photo Works** in Portland, Maine. Prints are \$250, available in person and on our website, and all proceeds will benefit the Library.

Director's Report

**Erich Reed,
 Director**

It has been wonderful to see many of your faces this year as we have returned to normal foot traffic with nearly 42,000 patron visits. We have seen you in person at events and also via Zoom. We have seen you during storytimes in both the Holmes Reading Room and the Children's Garden. Your use, support, and engagement with the Library is inspiring. You borrowed nearly 40,000 physical items, 10,000 electronic items, and our own Digital Archive had 54,000 page views. This total use of our collection ranks us in the top ten among all the 260 public libraries in Maine, and Maine is a state full of remarkable libraries!

You support us in so many ways: by hanging your art, offering an engaging program, donating your recyclable bottles and cans, and purchasing and donating books for our book sales. Some of your donated books are added to our collection and others we are careful to set aside with higher value for online sale as well. Two of the books you donated to us sold for over \$1,000 each this year! Thank you!

I am pleased to announce that **Melissa Haas** has accepted the position of **Director of Development and Programming**. Many of you know Melissa in her role at the circulation desk and for her coordination of the Art Auction. We look forward to her leadership this year. Expect us to reach out as we evaluate our programs. We hope to hear from you about what you love the most about the Library and also for you to help us set new future priorities. All of the staff look forward to seeing you soon!

Erich Reed

 New Director of
 Development and
 Programming**

Development Report

**Kathryn Nelson,
Development Chair**

The Southwest Harbor Public Library relies on support from individuals throughout our community to fulfill our mission to inspire and support the enjoyment of life-long learning, the love of literacy, and the exploration of new ideas.

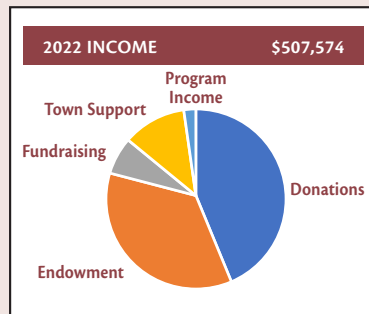

While we are a public Library, municipal funds provide just over 10% of our annual operating expenses. We rely on individual donors - YOU - for the remaining expenses.

This year you donated over \$220,000 for our annual appeal - a record amount and critical for us during these inflationary times. We also received some planned giving and endowment gifts - all essential for the future of the Library. We are deeply grateful for every contribution. Your donations allow us to acquire and preserve books and periodicals, maintain our facilities, and provide competitive compensation to our wonderful staff. Thank you for being a part of our donor community!

Treasurer's Report

OPERATING BUDGET — Generous donors, continued Town support, and a strong Endowment allowed us to finish the year in the black and enable planning for some needed building improvements.

ENDOWMENT — A poor stock market year resulted in losses, but an unprecedented bequest including substantial life insurance benefits allowed us to maintain the Endowment balance while continuing to support operations with a 4% withdrawal. Memorial gifts and bequests continue to grow the Endowment which now provides over 1/3 of our total operating budget.

Digital Archive

Here at the Library we've been making some big changes to the Digital Archive. For those of you who are not familiar with our Digital Archive, it's an online database that contains historical photographs, documents, maps, and research material given to and shared with the Library since about 1900. You can find it from a link on the SWHPL website: swhpl.digitalarchive.us.

We've looked at the extensive backlog of physical and digital items and have come up with strategies that have proven successful. Some of these strategies include making accessioning and digitization more comprehensive and timely.

Thanks to these new strategies, exciting recent collections are now available for our patrons to view including a collection of postcards from **Charlotte Morrill** (Digital Archive item #16698), a collection of **Gott and Craig** family photos (#16700), and a collection of documents and photos belonging to **Benjamin Barret Hinckley Jr.** (#16694). This work has been made possible with help from trustee **George Soules**, archivist **Sadie Cooley**, COA intern **Jack Cordova**, and volunteers **Leza Colquhoun** and **Lynne Birlem**.
