

## GIRL POWER AND GENDER EQUITY

### POINTS TO PONDER...

- What is your definition of feminism? Patriarchy?
- In what ways does gender expectations prescribe how we *should* be rather than recognizing how we are? (adapted from Chimamanda Ngozi Adichie)
- Who/what was responsible for major changes in your life relating to your gender?
- How might you guide your organizations to support and advance gender equity?
- What feeds the soul of feminists – and all women – today? (adapted from Isabel Allende)
- How might you help to light the torches of young girls and women to carry on the work we haven't finished?
- In what ways is the control of sexual and reproductive autonomy integrally related to other forms of authoritarianism and exploitation?
- How might you help create an inclusive and equal society?
