

SWHPL Summer Reading: Kids

June 21 - August 26, 2023

Sign-up online or at the Southwest Harbor Public Library.

Receive a reading journal & colored pencils.

If you sign-up online, stop by the library to claim your reading journal & colored pencils.

Choose at least one book to feature in your journal each week of summer reading.

If your book is long, don't worry; finished or not, we still want to see your reading progress:

- Record title & author at the top of the page.
- Then get creative, some ideas include: Draw a picture of your favorite scene from the book, write a poem based on your favorite part, write a sentence or paragraph about the book, choose your own creative project.

Once a week, bring your journal to the library for a librarian to see your new entries and reading progress. We'll view and initial your journal, return it, and give you a reward.

There are many rewards to choose from: see back for list of rewards. You may select one reward per week of summer reading. If you come more than once a week to show us further reading progress you may select a small prize from our treasure chest.
