

Summer Reading: Babies & Toddlers

June 21 - August 26, 2023

Sign-up online or at the Southwest Harbor Public Library.

Receive a reading journal & set of crayons. If you sign-up online, stop by the library to claim your reading journal.

Complete the early literacy activities on the back with your baby. Keep track of your progress in the journal together

Write the activity completed at the top of the page, then get creative in the journal.

Examples: write a line about the early literacy experience, practice letters, draw pictures, color together, anything to engage with the journal & reading activities together!

Once you complete the activities together, bring your journal back to the library to show a librarian.

We'll view and initial your journal, return it and give your baby their reading reward: a board book of their choice and a bath toy.
